

# MIDLANDS ACADEMY

HELD AT NUNNERY WOOD SPORTS COMPLEX (WORCESTER HC)

## THE PERFX HOCKEY MIDLANDS ACADEMY 2018 - SPECIAL OFFER

### EXCITING NEWS FOR ALL OF OUR PLAYERS!

We are delighted to announce that we have come to an agreement with Worcester HC that has heavily reduced the cost of the Midlands Academy for all players wishing to attend.

As it stands sign ups for the Academy are low and the last thing either PerfX Hockey or Worcester HC wants to do is have to cancel the Academy for this year as it is a great opportunity for players to continue playing hockey during a period where they get none at all. This new deal will make the Academy much more affordable for parents to send their children to the Academy and we hope that it is a welcomed offer.

Players will now get the exact same program that we had originally attended but with a few minor adjustments:

- The Academy will run for 7 weeks not 8
- The International player attending the Academy will not be of such high profile
- Players will have to pay to receive an Academy T-Shirt

At a lower cost per player of £57.50 (was £96) or £8.50 (was £15) per session we hope to reach the 30 plus players that we will need in order to make this happen. Worcester HC have also put in place a provision for those who will struggle with this fee, please just contact us for more information in this scenario.

For more information on the Academy and what you can look forward to please message us on social media for a full information pack or simply visit our website now.

Please note that we will not be advertising this offer publicly to prevent any conflict at our other Academy. All players at the Midlands Academy will receive this offer including those already signed up to join us at our first session next week.
